

Mandel JCC of the Palm Beaches Recognition Opportunities

The new modern facilities of the Mandel JCC on Hood Road showcase 56,000-square-feet of space and state-of-the-art amenities for preschoolers, teens, families and adults of all ages. It's the newest place to connect with Jewish life in a warm, welcoming and fun setting.

The following naming opportunities are what remain, following the Mandel JCC Capital Campaign efforts:

Functional Fitness Zone

Health and wellness are an inherent part of the JCC. This 2,200-sq.-ft. room will include TRX suspension training, as well as small group and personal training with a functional fitness philosophy (balls, bands, weight and kettleballs).

The room will also be used for a gymnastics program, Mommy & Me, preschool and elementary-age children, after-school activities and summer camp.

Recognition Opportunities/2

Office Suites

- JCC Office Suite
Workspace for 16 people (seven offices, nine cubicles and a small conference room)
- Preschool Office Suite
A reception desk, two offices, and teacher resource space at the front of the Barbara and Jack Kay Early Childhood Learning Center.
- Recreation, Aquatics and Gymnastics Office Suite
Three work stations housing three areas of wellness in one office.
- Federation Office Suite

Adult Program Wing

This area includes the group fitness studio and two multi-purpose rooms to be used for Adult Continuing Education (ACE) classes, bridge and other card games, lectures, art classes and more.

Wellness Wing

This area includes the 11,000-sq.-ft. gymnasium, men's and women's locker rooms and the functional Fitness Zone.

Preschool Classrooms (6)

Staff Offices (8)

Outdoor Café

On the deck of the Aquatics Center, a prime location, this eatery will be used for barbeques and concessions.

Indoor Café

A part of the great hall, open throughout the day, serving thousands.

Youth Lounge

A 950-sq.-ft. space for children's birthday parties, after-school classes and summer camp programming. Mornings will be dedicated to adult art classes and adult programming.

Playgrounds

- Village Playground – Central to the Kay Early Childhood Learning Center, this space will be used as a Pre-K gathering place for special outdoor preschool programs.
- Pre-K Playground – The natural world is an integral part of learning when children have an outdoor classroom with comprehensive programming. This space, designed in consultation with Nature Explore, will include a music and movement area, nature art area, building area, space for climbing, gardening area and water areas. Swings, slides and an open grass area for open-ended play will be integrated.
- Toddler Playground – Children will be able to stand, crawl, walk and play in this area.
